

Payroll solutions

ROBERT WALTERS

Saves you time, money and resources

Paying contract and temporary staff is a basic requirement of any business. However, administering internal payroll and overseeing a temporary workforce can be challenging and potentially overwhelming. Ensuring your payroll is accurate and up-to-date with the latest regulatory changes and tax codes is not only time consuming, but also complex and fraught with risk.

At Robert Walters Thailand, we provide comprehensive arrangement of your contract and temporary payroll, allowing you to focus only on the management of your contractors.

Why use Robert Walters payroll solutions?

Cost & resource savings

- Direct your attention to other key areas of your business and save valuable HR hours with a hassle-free solution
- Deliver a more streamlined payroll processing service, mainly for those still carrying out their payroll process on paper
- Reduce financial risk to your organisation

Simplified administrative processes

- Minimise routine administration tasks and employment obligations
- Streamline the process of staying updated with laws and regulations which includes the management of work permits, medical, and accident insurance

Flexibility

- Use our established framework agreement to adeptly bring new employees onto the payroll as needed by your business
- Receive a customised service and solution, regardless of your size, industry, employment legislation, location, or operational complexity

Efficiency & clarity

- Get in touch with a dedicated key account manager and payroll contact with an end-to-end onboarding process managed
