ROBERT WALTERS

Saves you time and resources

Paying contract staff is a basic requirement of any business. However, administering internal payroll and overseeing a contract workforce, especially for middle to senior-level roles, can be challenging and potentially overwhelming. Ensuring your payroll is accurate and up-to-date with the latest regulatory changes and tax codes is not only time consuming, but also complex and fraught with risk.

Recognising the demands of contract middle to senior-level roles, Robert Walters Thailand now provides specialised payroll solutions, offering a comprehensive arrangement for your payroll needs. Our aim is to ensure a seamless and flexible process, providing the convenience that allows you to concentrate solely on managing your employees.
